

A MESSAGE FROM THE FUNDRAISERS

Richard Ballantyne

Rev Mark Chamberlain

St Barnabas has been a vital part of the Fendalton community since the early days of the Canterbury settlement and was originally built as a memorial church honouring those who died in World War 1.

St Barnabas is now a Category 1 listed building with the Historic Places Trust. In the February 22 2011 earthquake St Barnabas was significantly damaged. Because the bell tower moved relative to the rest of the building there was considerable damage to the north walls as well as damage to the east and west gable ends. Many stained glass windows were also damaged. In total the building sustained around 2 million dollars worth of damage.

In spite of the insurance cover the parish had, there will still be a shortfall as a result of the policy excess, costs involved in strengthening the building to 67% of the new building standard and other compliance costs. When the time comes to repair our earthquake damaged buildings we want to take the opportunity to undertake other maintenance work as well.

Because of the need to raise funds for this work Vestry has formed the St Barnabas Fendalton Trust, so that donations received for this purpose are protected. We want to restore our beautiful, historic church for our community and for future generations. We need your support and ask that you use the detachable form to make your donation.

Thank you,
The Trustees.

CAM MOORE
Company Director.
STEVE WAKEFIELD
Partner, Deloitte.
CORINNE HAINES
Managing Director.

RICHARD BALLANTYNE
Chair of the Fundraising
campaign.
REV MARK CHAMBERLAIN
Vicar of Fendalton.

WE NEED YOUR DONATION

Your donation will help us rebuild and strengthen St Barnabas so that the public can use this wonderful community facility with confidence. We need to raise \$1 million to make this happen. Please consider this request favourably and make your donation.

It is vitally important that St Barnabas is repaired, strengthened and opened for use again as soon as possible. Our parish offers ministries for children, youth, families, the needy, elderly and everyone in between.

Large numbers of people find at St Barnabas a vibrant, Christian family to belong to and we require our buildings to support these ministries.

St Barnabas also offers support and meaning to members of the community at the most significant times of life - Weddings, Funerals and Baptisms. It is important that the community continues to gather and celebrate these turning points in our beautiful church. Our weekly worship services also offer people a way to express hope and sadness and receive strength and grace to keep rebuilding our community and our lives.

HOW CAN YOU DONATE?

Complete the form on this brochure. You can choose to donate by cheque, direct debit, internet banking, or credit card.

HOW YOUR DONATION WILL BE USED

All donations will go directly to the repair and strengthening of St Barnabas church, the maintenance requirements of parish buildings and future capital needs. This will not only return our facilities to a good condition but ensure that future generations can have the privilege of using our historic church and buildings.

The bell tower will be repaired and re-piled and the stone walls and stained glass windows repaired. Structural elements will be installed to strengthen the building to 67% of the new building code.

HOW YOUR DONATION WILL BE ACKNOWLEDGED

- All donations will be acknowledged by the St Barnabas Fendalton Trust.
- A receipt will be issued for tax purposes.
- All donors will be thanked and listed on the St Barnabas website unless an anonymity is preferred.
- Donors will receive regular updates (via email or post) on how their contributions are helping to rebuild and strengthen St Barnabas Church.
- The St Barnabas Fendalton Trust is registered with the Charities Commission Registration Number: CC48304
